

SAIS/Immunopaedia Webinars 2022

The South African Immunology Society (SAIS) in collaboration with Immunopaedia.org.za present **An African Based Immunology Series** in 2022.

Join us for a new monthly webinar series. We will reach out to from all over Africa or African Scientists based elsewhere in the world to hear about their research and experiences.

From March 30 every last Wednesday of the month from 13:00-14:00 (Central Africa Time GMT+2)

SAIS-Immunopaedia Webinars 2022 **Recordings**

**Dr Yaw Bediako (Yemaachi Biotech) –
Biotech – The next phase of African
scientific capacity development. Lessons**

learned over a year building an African biotech startup.
